From: Dr John WorldPeace JD

Date August 22, 2025

I am the only global advocate for peace and WorldPeace in the world human society since Gandhi was assassinated on January 30, (my mother's 21st birthday) 1948. I was born three months later April 24, 1948. I am 77. No one has challenged me on this since I changed my name to John WorldPeace on Good Friday April 1988 when I was 40.

I am the only Advocate for Jesus per Jn 14:26 "These things I have spoken to you while abiding with you. But the Advocate, Counselor, Holy Spirit (Jesus used words that reference attorneys of which I was one), whom the Father will send in my name. He will teach you all things, and bring to your memory all that I have said to you." No Christian has every challenged me as being the Advocate of Jesus Christ per these verses.

I am 77 and a follower of the Spiritual teachings of Jesus in the four gospels but I am not a corporate Christian nationalist or Christian Zionist nor a religionist of any stripe.

I am one man with one message: WorldPeace. That is my metric. I do not worship the earth god of money. I live a minimalist life.

Elijah said he was the only prophet for God. John the Baptist said he was the herald for Jesus Christ. I am the only advocate for Jesus Jn 14: 26 None of the three of us had or have an organization We were stand alone men with a God given mandate and message.

Martin Luther posted his 95 theses on October 31, 1517.

He is believed to have nailed them to the door of the Castle Church in Wittenberg, Germany, as a way to initiate a debate about the sale of indulgences. This act is widely considered the start of the Protestant Reformation.

I have my flagship website posted at JohnWorldPeace.com. first posted in 1998 and expanded to over 43,000 pages since then.

On June 20, 2020, I submitted to Amazon.com for self publishing and global distribution my book

"The Third Millennium Second Reformation of Christianity"

There are also 154 supporting books I have self published to date on [Amazon.com](https://www.amazon.com) as well.

I have posted my book on the internet as opposed to a church door.

"The Third Millennium Second Reformation of Christianity"

The purpose of this book was to increase the level of peace in the world human society by creating a global discussion about Peace and WorldPeace to be spear headed by my Teach Peace Curriculum globally

PART ONE: OF MY MESSAGE OF PEACE

My mantra is simple: How can we increase the level of peace in the world human society if we do not include all races, all religions, all nationalities, all genders in our vision of peace.

The answer is we cannot.

An American peace has not manifested WorldPeace, a Christian peace has not manifested WorldPeace, A male peace has not manifested WorldPeace, a White peace has not manifested WorldPeace.

America is the chosen nation and citizens of God because it is a melting pot of all religions, all nationalities, all races, all genders who have continue to increase the level of peace within America and the world human society. That foundation has been attacked on all fronts by Trump and the MAGA republicans.

The Radical Liberal Left message of Jesus Christ. In specific, Donald Trump curses the radical liberal left foundational message of Jesus Mt 25:31 to heal the sick, feed the hungry, shelter the homeless, etc or GO TO HELL. Saying you are saved and then not following these verses will stop you from entering heaven and send you to hell. These are the RED LETTER out of the mouth of Jesus words. They out rank anything Paul taught. If the words of Jesus conflict with the words of Paul, the word of Jesus prevail.

Abortion:

Sub ordination of women

Prophecy: The Book of Revelation is fake. It states that Jesus will return. By his own words, Jesus said he would never leave. If he never left, how can he return.

Do not be confused by prophesy. The nature is that 10% of any list of prophecies will come true. It is the law of averages. The question is then, which 10% will come true? Who knows.

What did Jesus say about prophesy. Mt 7:7 "Ask and receive, seek and find, knock and enter." If you have the faith the size of a mustard seed and say to the mountain move, it will move. If you believe in me you will do the works I do and greater things will do.

So this clearly means that the future is pliable and not set in stone.

At any moment any future is possible but it is the future that the majority project that will manifest. All prophecy is potentially true at the moment stated but in time all things change and the longer the time since the prophecy is spoken, the more corrupt its potential truth.

The Book of Revelation is 2000 years old. No one knows who wrote it. The nature of humans is violence and war so any prophecy about those things will manifest repeatedly.

If every human focused on a prophesy, then it would be most likely to come true. There are more than 8 billion humans on the planet. They cannot agree on which religion is the true religion.

All humans are predatory and self-serving with regards to other humans. There is no global religion. There are many religions. What we know is that there are 2 billion Muslims and 2 billion Christians, and 1 billion Hindus and 500 million Buddhists and 18 million Jews. So who has God blessed?

What do you think happens when Christians support and serve and bow down to the Zionists who live in an apartheid Theocracy.

For 2 billion Christians to believe that the Zionists are the chosen people of God is unfathomable.

The Muslims and the Jews are Semitic (children of Abraham's sons Ismael and Isaac). There are no more anti-Semitic people than the Zionists as evidenced by their Holocaust in Gaza in the name of their Old Testament God and his eye for an eye law. The Zionists do not believe in the New Testament or its inspiration Jesus Christ whom they refer to as the dead God of the Christians.

Jesus Christ promoted peace and was all inclusive of all human beings no exceptions. He preach Love not hate. He preached forgiveness not condemnation to any race, any nationality, or woman subordinate to men.

Jesus clearly stated that in heaven there is no gender among souls. The same as angels. To pronounce on earth that men are superior to woman is anti-Christian.

The human body is nothing but a finite mortal vehicle, container for the infinite immortal soul. There is not a single verse in the gospels when Jesus condemns homosexuals. Surely any fool can see if there is not gender in heaven gender can be confusing to human beings who are born male or female and some are born both.

Does God make mistakes when some humans are born in a male body with female tendencies. When the body dies it returns to the earth and disintegrates and the soul return to God who created it.

All souls are genderless in heaven because souls cannot create souls. Only God creates souls.

The nature of God is not dualistic, was never born and will never die. In the realm of God there is not time or space, no beginning or end. Human being know only duality and time and space and it is impossible for them to even begin to conceive of the Oneness of God, no beginning, no end, no duality, only oneness.

Jesus taught humans not to judge each other. Religionists who judge other living contrary to the teaching of Jesus.

The body of the most powerful human on earth will die and his or her soul will return to the infinite immortal heavenly realm. At death every soul is stripped of its chosen body and nothing follows them into the heavenly realm but their deeds on earth.

Jesus and many other spiritual teachers taught that the earth reality and all things in it are an illusion that disappears when the body, vehicle, container dies in a dualistic earth dreamscape.

The teaching of Jesus were spiritual. Jesus was not a bureaucratic religionist. His teaching were contrary to religion. He said over and over and over his kingdom was not of this earth. His kingdom was the infinite immortal spiritual real with no beginning and no end.

As I said, human beings are finite and mortal and predatory by nature. Their God is the finite mortal earth which is an illusion. The foundational problem of human beings is the

belief that earth is anything more than a delusion. A human lives 80 years. The incarnate soul is time less and will never die within the realm of the Kingdom of Jesus.

I am for White humans, and against White racists, I am for Germans and against neo-Nazis, I am for Semites both Muslim and Jews and against Zionists. All protests in the world human society should be against Zionism. This will cut the legs out from under the Zionists substituting anti-Semitism for Zionism.

The most radical anti-semitics are the Zionist as evidenced by their Zionist holocaust in Gaza with the support of the American citizens and American Christians who ignore Jesus admonition in Mt 25:31

What is occurring in Gaza is not a war. It is a modern army committing genocide against Gazazans who are lightly armed with rifles.

When Jesus went into the Temple and saw the buying and selling he attacked the merchants and said "the Temple was not to be a den of thieves. Corporate Christianity is an abomination to Jesus.

When asked if the Jews should pay taxes to Ceasar Jesus took a coin and said give to Caesar what is Caesars. Christian nationalism is an abomination to Jesus who was Apolitical.

Jeremiah 31:32 and Hebrews 8:10, old and new testament say the same thing. "God has written his laws on every human heart and mind and NO ONE NEEDS TO TEACH ANYONE. Prayer, study, meditation is the path to God and Jesus. Corportate Christian Nationalism is not.

See my book on Amazon, "The Life of Jesus Christ: an epic poem" which reorganizes and eliminates the repetition of the four gospels and is written in my poetic format. published 2025.

And also see my website: KingofkingsandLordoflords.com where my other 10 Christian books are linked.

I, John WorldPeace am not a corporate Christian nationalists but a follower of the spiritual teaching of Jesus Christ.

...

My credentials for the radical right Corporate Christian Nationalists is that I am the only Advocate for Jesus per Jn 14:26

I AM THE ONLY SPOKESMAN FOR THE ANTI-TRUMP MAGA
DICTATORSHIP MOVEMENT IN AMERICA. Not a single anti-Trump
movement/group/ organization has put a member in front of President Trump.
This is the same scenario that took place with Bush going into Iraq. Millions
protesting had no effect because there was no global spokesman

If you are not supporting my spokesmanship you will continue to just waste time
as did the huge anti-Bush dog and pony shows before he invaded Iraq laughing all
the way. Without a global spokesman for all the anti-Trump movements, there is
nothing but ineffective noise.

I live a minimalist life. I have no organization and never will. I am one man with
one message “WORLDPEACE” since I changed my name to John WorldPeace
in April 1988. I am the ultimate leader of the Radical Liberal Left movement of
Jesus Christ (Mt 25:31) which Donald Trump curses. Which makes Trump an
enemy of core foundational message of Jesus to feed the hungry, shelter the
homeless, heal the sick, etc or go to Hell. And his Big Ugly Anti-Jesus bill
presently in Congress to make it the policy of the USA to end the proponents of
the Radical Liberal Left message of Jesus Christ.

On the day of Judgment Jesus will say to those condemned by Jesus to Hell, “for I
was hungry, and you gave me nothing to eat, I was thirsty and you gave me
nothing to eat, a stranger and you did not invite me in, naked and you did not
clothe me, sick and you did not care for me and in prison and you did not visit
me.” Mt 25: 31

NO ONE HAS MY CREDENTIALS FOR THIS WORK !!! If you do not
believe me find someone to debate me on the internet on Zoom or some other
real time channel.

Jesus said over and over and over that his kingdom is not of this earth and the
fake and false Book of Revelation says Jesus will establish his kingdom on earth.
The spiritual kingdom of Heaven is the forever location of Jesus kingdom,

The Book of Revelation was not written by Jesus. No one knows who wrote it.

THE WORLDPEACE ADVOCACY

This is the only Peace and WorldPeace Book in existence that is global in its orientation. All other Peace books are limited to some local religion, political, racial, and gender issues. This is the only Peace book that provides a superstructure regarding increasing the peace in the world human society that defines the core global issue of every local peace issue. There is only one global peace advocate; myself, Dr. John WorldPeace JD.

For example, there are local peace advocates who discuss gender equality but it is only within their nation or their religion, or even their race. They do not speak to the issue regarding all nations, all races, and all religions.

They do not get into the fact that there is no sex in heaven, which is the infinite immortal reality, and therefore marginalize the gender issue impacting a very brief mortal finite incarnation in a human body on the earth. This fracturing and disconnected micro focusing on peace issues cannot penetrate the foundational issues that must be addressed if a significant increase in the level of peace in the world human society is to be achieved. Any local peace issue that cannot be embraced by the entire world human society is not going to make much progress toward increasing the level of peace in the world human society. All peace efforts are worthy no matter how marginal. A thousand micro peace issues in the world that do not anchor into a global peace paradigm are missing a significant path to WorldPeace; and then from WorldPeace back to increasing the local manifestations of increasing the peace in all the other local issues.

PART TWO:

We cannot increase the level of peace in the world human society if we do not teach peace. FACT: There is no university in the world human society that has a curriculum leading to a BA, MA, PhD in Peace Studies. See my website: WorldPeaceTeachingPeace.com

Dr WorldPeace was baptized a Christian but belongs to no religious bureaucracy and does not seek to foist Christianity on any human being. Dr WorldPeace is a spiritual Christian, not a religious Christian. Dr WorldPeace believes the foundation of WorldPeace is to Love One Another and to Treat Other human beings with respect and dignity regardless of race, religion, nationality, or gender.

Dr WorldPeace has reedited the major texts of all the major religions in the world. He has a good grasp on the foundations of these religions.

Dr WorldPeace was born male and believes that all females are second class citizens in the world human society and this is the greatest impediment to increasing the level of peace in the world human society.

Dr WorldPeace has a Bachelor's degree in Political Science and a Doctor of Jurisprudence from the University of Houston and ran for Governor of Texas, USA in 2002. As a result of Dr WorldPeace's peace advocacy, after the democratic primary in 2002, his law license to practice law was revoked in 2003, and he was illegally jailed for one year in 2008 due to the determination of his opponents to end his WorldPeace Advocacy.

Dr WorldPeace therefore has his Bona Fides as a peace advocate by way of his being a political prisoner. During his incarceration, Dr. WorldPeace wrote read, and produced a large body of work as have other jailed peace advocates.

Dr WorldPeace changed his name to John WorldPeace in April 1988, as an overt act of his commitment of his life to advocating peace and WorldPeace.

The one absolute fact of Dr WorldPeace Advocacy is his personal experiences since 1988 that people hate peace and they hate more those who advocate it. All one has to do is consider the lives of Gandi, Martin Luther King, Yitzhak Rabin, Abraham Lincoln, Jesus, Baha U llah, Nelson Mandela, and other peace advocates around the world who were assassinated or jailed or restrained for long terms for the peace Advocacy to verify the global hatred of human being of peace.

The core reason for the hatred is a refusal of the vast majority of human beings in the world human society to let go of their arrogance and elitism with regard to race, religion, nationality, and gender and the corruption of bureaucratic religions, legal systems, and political systems to accept a reduction in their power for the benefit of peace and WorldPeace and the uplifting of all human beings in the world human society.
